

Dear NAHS Parents, Students, Faculty Members and Friends,

North Atlanta High School enjoyed a great first semester this year! We wanted to take a minute to reflect on the wonderful accomplishments during this past fall and to urge all of you to either continue supporting or begin supporting these great efforts.

It is with great pride, that we can share with you how we have done

Fundraising

Thus far, the Booster Club has helped raise approximately \$23,771.03 through the following activities:

- Taste of North Atlanta
- Membership Dues
- Sign sales
- Concession sales for wrestling and basketball
- Sports specific donations
- Spirit wear Sales
- Membership
- Atlanta Braves Raffle Ticket Sales
- Belk's Ticket Sales

Our first annual Taste of North Atlanta held on October 6th. Delicious food was only one of the benefits of this well attended event! We raised more than \$2,500 and gained many new business partners for NAHS. The restaurants were so impressed with our students that a Culinary Arts Club was started.

We celebrated our fall sports team's accomplishments on November 18th with another attendance record-breaking event. The Fall Sports banquet was an opportunity to honor the hard work and dedication of our student athletes. The highlight of the event was a moving celebration of our Special Olympic athlete's achievements.

As our school has evolved, so has our Booster Club. This warrants an update of our bylaws. Attached you will find the proposed revised bylaws. This document is also available for review at the North Atlanta High School website. Please review this document at your convenience. We will be voting on these revised bylaws at our next general membership meeting which is Thursday February 11 at 6PM.

Although we are excited about our accomplishments, we know that we can do much better. In order for us to do so, we need your help. We need you to **join the Booster Club, if you have not already, and encourage everyone else you know to join.** But that's not all. Equally as important, we need your help volunteering for activities, events, and fundraisers.

You may ask why you should join even if you don't have a child participating. The answer is clear — improved school spirit and increased loyalty and recognition of NAHS as a place where students can receive high quality educational AND extracurricular

experiences. This helps NAHS continue to attract students and revenue that can benefit all programs.

All of us are very excited about the opportunity to support our student athletes at NAHS. Please join the Sports Booster Club (form is attached or available at the website www.northatlantahigh.org) to help us in our effort. We encourage everyone you know to join – even if they do not have a student athlete. Your participation will make the NAHS community stronger and will help raise the quality of our school.

GO WARRIORS!!!!

Many thanks from your 2009-2010 officers!
