NEW YORK

Ride Amtrak® free to your next campus visit.

Choosing a college is an important decision. You have to check out the campus – see how it fits. Figure out how you're going to get home on the holidays. (Oh yeah, and the academic stuff, too.) Well, here's a good way to give some of those campuses a test drive – without driving. Enjoy a relaxing ride on Amtrak. You can eat in the Dining Car, chill out in the Lounge Car or kick back in one of our spacious Coach seats. And the best part? Now you can do it for free when a parent or guardian travels with you and purchases a ticket at regular adult price.

Students, visit [www.campusvisit.com/amtrak](http://www.campusvisit.com/amtrak), complete the form and receive the discount code to be used when making reservations at [www.amtrak.com](http://www.amtrak.com) or by calling 1-800-USA-RAIL.

Fares, routes and schedules subject to change without notice and seats are limited. Reservations required at least seven days prior to travel. Student and parent must travel on same itinerary. Tickets may be upgraded from Coach with payment of additional charge. Not available on Acela Express®, Metroliner®, Auto Train®, or the Canadian portion of joint Amtrak/VIA rail trains. There are some restrictions on travel in the Northeast Corridor during peak times. Other restrictions may apply. Amtrak, Acela Express, Metroliner and Auto Train are registered service marks of the National Railroad Passenger Corporation.
