

Hello Warrior Families,

On behalf of the NAHS Parent Teacher Student Association (PTSA), welcome to the 2018-2019 school year! At North Atlanta, our PTSA serves as the common point of support among the school's most important stakeholders – the parents, teachers and students. We are already hard at work planning and staffing events!

This year, the PTSA will support our **parents** through grade level liaison information, school tours, speaker forums, the Parent/Faculty Social, school legislative communication, working with the Go Team and NAPPS and, of course, PTSA meetings.

The PTSA proudly supports our **teachers** through our very active Teacher Appreciation Committee. We support our teachers throughout the year with many "Thank you" events; including breakfasts and lunches, and school supply and gift card drives. Our Communications Team regularly posts announcements for the administration and teachers, and the Sunshine Committee helps to brighten their days.

The PTSA supports our **students** through many different events and programs, such as: financial support of the College & Career Center, Milestones/AP/IB testing support, diversity and inclusion programs, drug awareness outreach, homecoming week activities, the school bookstore, member scholarships, and "Pizza with the Principal", just to name a few.

We build a **community** through school-wide events such as Celebration of Learning, the annual school Fiesta/BBQ, Holiday Concert Reception, the Warrior Welcome, and the Visions Program. We also benefit from our Grounds Committee, in which volunteers work on the beautification and improvement of our campus

We use a variety of media -- The Warrior Weekly, the school directory, grade level liaison emails, social media, and our website, northatlantahigh.org – to keep you informed and in touch.

At NAHS, the PTSA counts on your continued support to make North Atlanta High School one of the best schools in Georgia. The North Atlanta PTSA has a long history of generous parental, teacher and student support. We cannot accomplish our goals without your continued involvement of time and talent.

Please [join](#) the PTSA and [volunteer](#) your time to make North Atlanta High School the best it can be. Go Warriors!

Sincerely,

Linda Mazzeo
PTSA Co-President
