

Hello Warrior Families,

On behalf of the NAHS Parent Teacher Student Association (PTSA), welcome to the 2020-2021 school year! At North Atlanta, our PTSA serves as the common point of support among the school's most important stakeholders – the parents, teachers and students. We are already hard at work planning and staffing events!

At NAHS, the PTSA counts on your continued support to make North Atlanta High School one of the best schools in Georgia. The North Atlanta PTSA has a long history of generous parental, teacher and student support. We only accomplish our goals with your continued involvement of time and talent. **Please [join the PTSA](#) and [volunteer your time](#) to make North Atlanta High School the best it can be.**

This year, the PTSA will support our **parents** through grade level liaison information, publication of the Warrior Weekly, prospective parent school tours, school legislative communication. We also work closely with the Go Team and NAPPS and Foundation to collaborate on our efforts for our school.

The PTSA proudly supports our **teachers** through our very active Teacher Appreciation Committee. We support our teachers throughout the year with many "Thank you" events; including breakfasts, lunches, school supply and gift card drives. Our Communications Team regularly posts announcements for the administration and teachers, and the Sunshine Committee helps to brighten their days.

The PTSA supports our **students** through many different events and programs, such as: financial support of the College & Career Center, Milestones/AP/IB testing support, diversity and inclusion programs, drug awareness outreach, homecoming activities, member scholarships, and "Pizza with the Principal". We also regularly support school celebrations, such as Fall Fiesta and Spring Fling.

We build a **community** through school-wide events such as Celebration of Learning, Holiday Concert Reception, the Warrior Welcome, and the Visions Program. We also benefit from our Grounds Committee, in which volunteers work on the beautification and grounds cleanup of our campus

We use a variety of communications -- The Warrior Weekly, grade level liaison emails, social media, and our website, northatlantahigh.org – to keep you informed and in touch.

Please support the PTSA via membership and donations; as well as sharing your time and talent on at the school for events and programs.

Sincerely,

Karyn Lawson & Kellie Pharis
PTSA Co-Presidents
