

Dear North Atlanta High School Parents,

From the PTSA and the North Atlanta High School Foundation, we extend a sincere welcome to you and your family! We look forward to an exciting year with you and your new student.

At NAHS, we have both the NAHS Parent Teacher Student Association and the NAHS Foundation, who partner to support our kids, teachers and the overall learning environment at North Atlanta HS. We are separate organizations with focused, coordinated goals and objectives. The PTSA Membership drive and the NAHSF Annual Fund begin at the start of each school year.

The goal of the NAHS PTSA is to provide resources and support to parents, teachers and students. We collaborate with school partners and dedicated volunteers to sponsor programs and events that benefit our school community. Yearly, we host the Diversity Programs & Inclusion Programs, Drug & Alcohol Awareness Education, College and Career Center Events, Honors Night and annual Visions Ceremony for our Graduating Class, just to name a few. We support our teachers throughout the year with appreciation events and school supply drives. To learn more, visit [www.northatlantahigh.org](http://www.northatlantahigh.org). You can reach your grade level liaisons at [nahsclass20XX@gmail.com](mailto:nahsclass20XX@gmail.com) and join the NAHS Class of 20XX Parents Facebook group. (*XX= '21' Seniors, '22' Juniors, '23' Sophomores and '24' Freshmen*)

The NAHS Foundation is a non-profit whose mission is to support, through fundraising, the students, faculty and administration of NAHS to enrich the school's programs and activities. Last year, thanks to the many generous donations of our parents and faculty, we funded over \$77,000 in teacher-sponsored grants touching every facet of student life; including arts, sports, clubs, professional development, classroom support, and the College & Career Center. NAHSF raises funds through donations to our fall Annual Fund Campaign and a spring night of fun and fundraising at our Annual Auction & Gala. Find more info on the Foundation at [www.nahsfoundation.org](http://www.nahsfoundation.org).
